Bodycote Testing Ltd,
Hakwick Road
Riverside Park,
Middlesbrough,
Cleveland,
TS2 1QS
England.

S/C 800162

Attention: Mr Hugh McKenna – Operations Manager (Chemistry)

Dear Sir

Following successful correlation exercises and the award of certificates, please verify that you have received the following documents:

- Test Code 8 - Lead C & S
- Test Code 9 - Quantitative Spectrographic analysis ICP/OES
- Test Code 10 - Analysis (G.A.M)

[Controlling documents FC-22 & FC-23]

This is in addition to your existing approval for:

Test Code 19: Gas Analysis (Hydrogen in Titanium)

FC sections of the DPMWC Material Control Laboratory Manual establish controls for chemical and

DPMWC standards, as determined by our periodic surveys and to the tolerance limits of your production

at the discretion of DPMWC

of the discretion of DPMWC

Yours sincerely

A. Jones (D 01A13)
